HARSH ROLL 'N' GO ELECTRIC SHEETING SYSTEM

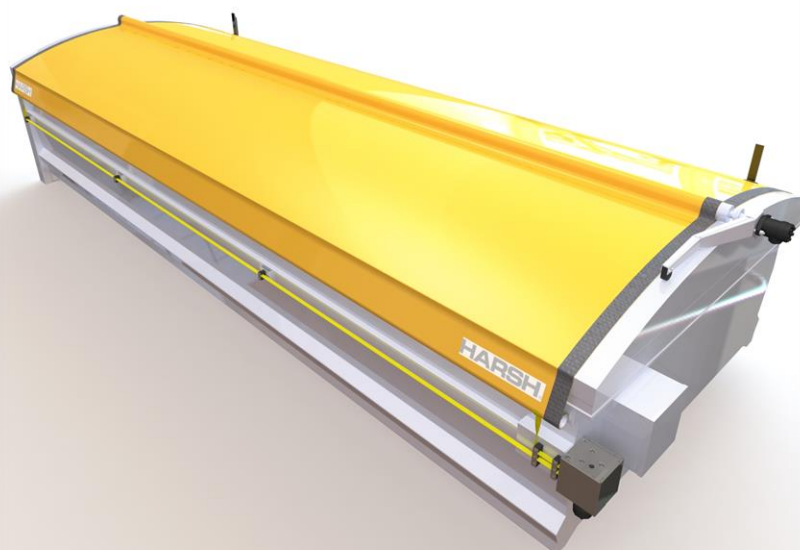

SKU – RNG-RIGID-E

HARSH Roll 'N' Go is a fast-acting side to side sheeting system that's ideal for every size of rigid tipper. With multiple drive options from the truck cab, operating Roll 'N' Go takes just seconds.

Roll 'N' Go Features & Benefits-

- Four Drive options – Manual, Electric, Hydraulic and Solar.
- Fast acting, fully electronic control operation either from cab or remote control.
- Ideally suited to aggregates, agriculture and tarmac work.
- Heavy duty tarpaulin with excellent heat retention.
- Load sealing is effectively 100% as the sheet comes over the open body and part way down the body side.
- Easy to fit.
- Available in a wide range of colours.
- Meets all standard Health & Safety stipulations as well as TASC requirements for transporting agricultural produce.
